Dear Chief Judge Robinson:

In the interest of streamlining its case and reducing the number of issues that will be presented at trial, SRI is withdrawing its allegations of infringement of U.S. Patent No. 6,321,338 against Symantec's currently accused products. We have advised defendants by separate letter. SRI's withdrawal of these allegations moots much of Symantec's pending motion for summary judgment of non-infringement (D.I. 287).

Respectfully submitted,

John F. Horvath
